RE: 2017 Service Academy and R.O.T.C. Information Night

Dear Principals and Counselors:

I am writing to invite high school students from the 52nd Congressional District to attend the 2017 Service Academy and R.O.T.C. Information Night. The event will take place on **Thursday, September 21st from 6:00 to 8:00 PM at Clairemont High School Cafeteria Building, 4150 Ute Drive, San Diego, CA 92117.**

Each year I have the privilege of nominating students to attend our military service academies. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation.

Interested students begin the process of completing the application available on my website. Applicants will then be interviewed and evaluated by an Academy Nominee Selection Board. This board is made up of individuals with unique knowledge of the requirements of the academies. They will look closely at all aspects of those individuals being considered. The board is scheduled to begin considering applicants in December 2017.

At the Service Academy and R.O.T.C. Information Night, students will have the opportunity to speak directly with admissions counselors from each service academy and representatives of college R.O.T.C programs. My congressional office staff and I will also be on hand to answer any questions about the service academy nomination Process.

For additional information, please visit <https://scottpeters.house.gov/services/academynominations>. A flyer with details on this year's information night is attached.

Should you have any questions, please call or email Juan Hernandez Juan.Hernandez@mail.house.gov or Howard Ou , Howard.Ou@mail.house.gov at my District Office at (858) 455-5550.

Sincerely,

Scott Peters
Member of Congress
