Today we wrap up our AP (Advanced Placement) exam administration at CHS. 412 students took exams this year! We are so grateful to our AP coordination crew and our INCREDIBLE team of proctors (guest teachers), many of whom have served us faithfully in this capacity for many years! Our students were able to focus on their exams in friendly testing environments with their and your encouragement and support. Bravo to all! NOTE: AP Exam scores will be available ONLINE to students in July through the College Board website.

**Summer School:** CHS will be offering a limited summer school program for students in need of remediating failing grades to meet graduation requirements, with priority given to graduating seniors and rising 12<sup>th</sup> graders. Families with students encouraged to take summer school will be contacted by counselors. Summer School runs from June 18 through July 28 with mandatory attendance.

**FOR ALL PARENTS/GUARDIANS OF STUDENTS RETURNING to CHS IN THE FALL:** The registration process this summer will require you to have an active Synergy ParentVUE login ( If you have ever used Synergy to access your student's attendance or report card information, you DO NOT NEED an activation code). **You will not be able to register your student without having an activated Synergy ParentVUE.** *Please see the school front office to pick up your Synergy parent account activation. You will be asked to present a picture ID to pick up your parent activation.* Click this link for screenshots of the activation process: [https://docs.google.com/document/d/1wuHHsGCA6bGGtopM-jUIA4TGNw4\\_9RZeWFPqiChgMrc/edit?usp=sharing](https://docs.google.com/document/d/1wuHHsGCA6bGGtopM-jUIA4TGNw4_9RZeWFPqiChgMrc/edit?usp=sharing)
