

## **Math Placement Testing**

Welcome to Coronado Unified! Coronado High School administers math placement testing for all new students to ensure each student is correctly placed in the math course that is the best fit.

The math placement test is an online assessment that is administered at **Coronado High School, 650 D Avenue**. Each student will be provided a Chromebook, scratch paper, and pencil for the assessment.

Please register to attend one of the scheduled testing dates listed below at [bit.ly/HSMathPlacementTesting24\\_25](https://bit.ly/HSMathPlacementTesting24_25) or use the QR code below.
