**Requirements Check list**

| Science Courses | Prerequisite(s) – Minimum Requirement                 | Met the Requirements |    |
|-----------------|---|----------------------|----|
| Earth Science   | None  |                      |    |
| Marine Biology  | None  |                      |    |
| Biology         | None  |                      |    |
| Chemistry       | Passed Algebra 1 with A/B                             | Yes                  | No |
| Physics         | Passed Algebra 1 with A/B                             | Yes                  | No |
| AP Biology      | Passed Chemistry with A/B<br>or Enrolled in Chemistry | Yes                  | No |
| AP Chemistry    | Passed Chemistry with A                               | Yes                  | No |
|                 | Passed Algebra 2 with A/B                             | Yes                  | No |
| AP Physics 1    | Passed Algebra 2 with A/B                             | Yes                  | No |
| AP Physics 2    | Completed AP Physics 1 or permission from instructor  | Yes                  | No |
