Library Materials Opt-Out Form

Dear Parent/Guardian,

We are committed to providing our students with a comprehensive and enriching education that encourages critical thinking, open-mindedness, and a love for learning. As part of our efforts to foster a diverse and inclusive learning environment, our high school library contains a range of literature that may include books that have been challenged or banned in some communities.

Please complete the following form if you would like to opt your student out of check-out access to Coronado High School library titles. Upon completion, please drop off this form at the CHS Front Office.

If you submit a Library Materials Opt-Out Form, please discuss this decision with your student to ensure that they are aware before visiting the library. Upon submission of the Opt-Out Form, your student’s account will be updated in the library checkout system. This form will be valid for the duration of your student’s enrollment at Coronado High School.

If after submitting the form, you would like to remove the restrictions on your student’s library account, please submit a written request via email to chslibrary@coronadousd.net.
