

November 15, 2016

Dear Islander Families,

We hope you enjoyed a long Veteran's Day weekend. We honor our Islander family and community members who serve and have served our country in the armed forces. Thank you.

Our Thanksgiving holiday is observed all week of November 21-25, and return to school Monday, November 28. We are grateful for our talented and committed students and the support of their families and the Coronado community!

Our Fall Sports Playoffs Continue: Varsity Boys' Waterpolo will take on Cathedral Catholic on Tuesday at 5:45 at La Jolla Coggan pool in a critical semi-final match! On Friday night, Varsity Football and Cheer will travel to Santana High School for CIF quarterfinals at 7 PM. And on Saturday, our Boys' and Girls' Varsity Cross Country teams will compete in CIF finals at 8:30 and 9:30 AM, respectively. GO ISLANDERS!

Meanwhile, tryouts for Winter sports are underway!

Tonight's Governing Board meeting will feature the annual CHS report. Attend or tune in at 4PM, and/or access report materials here: <https://goo.gl/IzAbnz>.

As staff of a school and a learning community, it is part of our professional responsibility to foster and enable safe dialogue about global, national, and local events. We have been proud of our CHS Islander staff and students as they have navigated issues of the campaign and election with an understanding that our school community reflects a spectrum of political views, beliefs, backgrounds, and personal experiences. Our students have opportunities to learn as they listen to and share differing perspectives. We are committed to continuing to cultivate a culture of respect, empathy, and awareness of others and their experiences. As always, we encourage our students to communicate any concerns related to their rights to a safe and supportive environment at CHS.
