

5/5/14

Dear Students and Parents,

Teacher Appreciation: It's Teacher Appreciation Week! We feel fortunate to work with a talented and dedicated faculty. Our teachers bring passion to their classrooms and spend hours outside the classroom supporting students in extracurricular pursuits. Please take an opportunity to convey to teachers your gratitude and appreciation.

AP Exams: We are hosting AP exams on our campus during the next two weeks; GOOD LUCK STUDENTS! Exams begin at 8 AM and noon each day. Students must attend class before and after tests and BE ON TIME for exams or forfeit them. Students with exams at noon will be released from class at 11:30 for an on-campus lunch and our cafeteria will be open for students to purchase meals.

Awards Ceremonies: This month and next we will host our ROP/CTE Awards, Faculty Commendation Tea, Islander Awards, and Senior Awards ceremonies. We are mindful of the fact and regret that despite our various recognitions, we do not have the opportunity to recognize ALL students for their contributions to our community and celebrate their successes. Please let us know about your child's triumphs outside of school so we may send a note acknowledging their achievement, and partner with us in developing students who feel the intrinsic reward of pride in accomplishments.

Rotarians at Work: A huge thank you to our local Rotarians led by Jamie Tuckey for their help beautifying our campus on Saturday April 26 with a group of dedicated and hardworking students! We appreciate you.

Upcoming Events and Deadlines:

Powderpuff: Juniors and Seniors, permission slips are due NO LATER than Friday, May 9 at 2:30 PM in Room 507. Absolutely no exceptions.

Senior Disneyland Trip: Permission slips are due NO LATER than May 19. NO EXCEPTIONS. Seniors with uncleared unexcused absences and tardies will be ineligible.

Chalk Walk: Our visual arts department is hosting a campus Chalk Walk on May 22, with viewing open to the public from 10:30-4:30. CHS students, in conjunction with some Village Elementary Explorers, will be creating live chalk art installations.
