

4/14/14

Dear Parents and Students,

Welcome to a four-day school week, with this Friday and the following Monday (April 18<sup>th</sup> and 21<sup>st</sup>) district holidays.

I am responding to feedback about communication from our school to students and parents, and will be sending out weekly emails to keep you apprised of upcoming events and activities, as well as news about our school. Please keep the feedback coming! Be aware that our calendar view on the website (<http://chs.coronadousd.net/calendar/month/2014/04/>) includes all scheduled events, and they are available in list form as well, under "About" and "Academic Calendar and Bell Schedule" on our homepage.

CAASP Field Testing for Juniors: Our juniors are taking the California Assessment of Student Performance and Progress (CAASPP) Field Test as I write, each missing one day of class this week to complete testing which allows us a chance to test our infrastructure to accommodate on-line testing. We appreciate the cooperation and patience of our students as we use this new assessment format on our campus.

AP Preregistration Session, Wednesday, April 23<sup>rd</sup> at 7:30 AM: All students who have registered for AP exams MUST attend a preregistration meeting on Wednesday morning, April 23<sup>rd</sup> at 7:30 AM in the theatre to fill out paperwork and prepare for testing. This session saves students time and stress on testing days. NOTE that students usually start school at 8:30 on Wednesdays; THIS IS AN EARLY START.

Summer School: CHS will be offering a limited summer school program for students in need of remediating failing grades, with priority given to graduating seniors and rising 12<sup>th</sup> graders. Families with students in need of credits will receive a letter in the mail; please stay tuned. Summer school dates will be June 9 through July 18.

Prom: Thank you to the junior class and advisor Breanne Lagomarsino; the parents who helped fundraise, chaperone, and organize; and our amazing student body for a successful and safe junior/senior prom last Saturday night at the New Children's Museum. We were proud of our polite and grateful students who always impress adults in their service at events. We apologize for the parking challenges some students faced downtown with a competing Padres' game, and will apply our learning to future events.

Please see below for upcoming events in the next two weeks, and see our website for additional information and updates!

Go Islanders!

- 15 ASB Activity: French Fry Day / Tiki Hut / Break
