

Hello Islander Families!

The Parent Teacher Organization (“PTO”) Board would like to welcome all of the new families to Coronado High School and all of our returning families back to school. PTO is an organization of parents and teachers whose purpose is to enrich the educational experience of all students. We provide support for parents, teachers, students and staff through funding, organization and volunteering (see page 4 for specifics).

We invite you to volunteer and support PTO when and where it works best for you. We look forward to seeing you!

To join online, go to [www.join.myschoolanywhere.com](http://www.join.myschoolanywhere.com). The join code is: **CoronadoHS**. If you would rather pay by cash or check, a membership form is attached to this packet. You may turn it in to the CHS office any time.

You can find our webpage on the CHS website. Go to *Coronadousd.net* and under “Schools” click on Coronado High School. Open the tab names “Students and Parents” then scroll down to the CHS Parent/Teacher Organization. You can also find us on Facebook at **Coronado High School PTO**.

Hope to see you on campus!

## What Did PTO Do Last Year?

- Gave teachers "block grants" based on how many classes they taught. This helps them to buy supplies throughout the year.
- Held a "College Information Night" to give parents an idea of things to look for in a college, the application process, essay writing, testing and test prep, applying to military academies, ROTC spots, using athletics to get in to college, etc.
- Held our first ever "Alternatives to Four Year College" information night for students and families which featured San Diego area employers, community colleges, technical schools, gap year programs, the Coronado Lifeguards, Police and Fire Departments, the U.S. Navy, Marines, Coast Guard and more
- Donated grant money we received through CSF to Every 15 Minutes, a drunk driving program
- Provided 6 meals, two goodie bags, and classroom supplies to our teachers and staff
- Funded costs for the Academic Team
- Provided the funding for the "Islander Awards"
- Put on the reception in the quad after graduation for all graduates, families and friends
- Provided the refreshments for the Senior Awards ceremony
- Gave money to fund prizes for "Games at Lunch", put on by the nurse's office to engage students who are on campus at lunch

**None of this is possible without member support. We are hoping to do even more for our Islander community this year.**
