# LOCAL CONTROL ACCOUNTABILITY PLAN

## Community Forum

As part of the new state funding formula, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP). Our LCAP describes how the Coronado Unified School District will spend the funds and its goals for improving student outcomes according to eight priorities set by the state. All CUSD shareholders are invited to attend the community forum.

Additionally, the public will be given an opportunity to speak and provide comment on the LCAP at the CUSD School Board meetings on June 6th and June 20th. The LCAP will be considered for Board Approval on June 20th. A proposed copy of our LCAP will be posted on our website at [www.coronadousd.net](http://www.coronadousd.net).
